WHEREAS, the Board of Trustees of the Harrison County Regional Sewer District ("Board") heretofore approved plans, specifications and estimates and determined to establish, construct, equip, own, operate and maintain the sewage work provided therein, pursuant to Chapter 284 of the Acts of the General Assembly of the State of Indiana for the year 1967 and all acts supplemental thereto, and

WHEREAS, the Board established a set of initial rates and charges at the Lanesville Interchange Service Area with the passage of Ordinance No. HCRSD 2015-01 on April 15, 2015, and

WHEREAS, it is necessary for the Board to adjust the schedule of rates and charges to account for growth and development within the service area and to produce sufficient revenue to pay expenses of maintenance and operation and to provide funds for necessary replacement and improvements to sewage works, all in a manner in accordance with the guidelines of the U.S. Environmental Protection Agency, the State of Indiana, and to pay all costs associated thereto, and

WHEREAS, the Board has enacted other rate ordinances that are incorporated by reference herein except where in direct conflict with this ordinance; and

WHEREAS, the rates charged by the Town of Lanesville as adopted on September 9, 2013 and as amended thereafter shall serve as the basis for adjusting such rates for the Lanesville Interchange Service Area, and

WHEREAS, the Board finds that new rates and charges setforth herein are based upon the cost of providing service to the customers in the Lanesville Interchange Service Area of the Harrison County Regional Sewer District and will enable the Board to meet its legal revenue requirements for the sewage works serving this area; now therefore
